Fired Upon a Sealer.

VICTORIA, B. C., May 22.—One of the crew of the schooner Director, which arrived here a few days ago with 610 sealskins, is authority for the statement that the schooner had some difficulty in getting skins. He says the skins were obtained off the coast of Patagonia, and that the schooner was fired upon, her sails being ripped by grapeshot. No one was hurt, and the schooner escaped without receiving any injury.

A big potlatch is being held on the Songhees' Indian reservation near this city to-day. Several thousand Indians are here from all over the coast. Hundreds of blankets, guns and trinkets were given away by female relatives of the men lost in the wreck of the schooner Earl. The potlatch will last a week.

MRS. AUG. DARROW.

WELLS, RICHARDSON & CO.,

Gentlemen:—I was very much run down, had no appetite at all, was very nervous, had no sleep night or day; to sum it all up, I was perfectly wretched. But thanks to Paine's Celery Compound I can now eat and sleep and work just as well as I could before I was taken sick. When I commenced taking the Compound I weighed 136 pounds; I now weigh 158 pounds and do all the work for my family of five. I have recommended the Compound to three families already and they are very much pleased with it. I am now taking my fifth bottle, and would recommend it to all who are suffering with stomach trouble or nervous trouble.

Yours respectfully,

MRS. AUG. DARROW.
